

KNIGHT'S NEWS

FAMILY KNIGHT'S

The Knight family began providing the Ann Arbor area with quality food products in 1952 when our beloved founders, Ray Knight (1928 -2013) and Mary Knight (1931-2010) purchased Knight's Market near downtown Ann Arbor.

The Market, operated today by Sherry Bedolla (Knight) and Vernon Bedolla (Sherry's brother in-law), is a specialty meat market and neighborhood grocery store in its original location.

In 1984, Ray expanded the Knight's food operations to include the first restaurant, Knight's Steakhouse on Dexter Road in Ann Arbor. In 2001 the family opened the second location as Knight's Steakhouse & Grill in Jackson, Mi. The newest restaurant is Knight's Downtown - located at Liberty and Maynard in Downtown Ann Arbor which opened in 2014. Knight's is the best place in town to grab a delicious steak and a strong drink!

Still growing, the Knight family is in the process of adding another specialty Meat and Grocery market - Knight's Southside Market, which is set to open this spring!
